## ■ Annual Notice of Change/Evidence of Coverage mailings

It's fall and time to share the latest ConnectiCare VIP Medicare product information and how it may affect your clients and prospective members. We're providing links to the Annual Notice of Change (ANOC), Evidence of Coverage (EOC), Formulary, and Provider Directory for 2015 for your reference.

The ANOC gives the member a summary of changes to premium, benefits and cost sharing for the upcoming year. The EOC is the legal, detailed description of the members' premium, benefits and cost sharing for 2015 pertaining to the particular plan in which the member is currently enrolled.

No action is needed by your client unless he/she wished to make a plan change.

If your client is looking to switch ConnectiCare VIP Medicare Advantage plans or add dental, all he or she needs to do is complete and return a short enrollment form or call ConnectiCare directly. Plan changes can be made by completing the form and faxing it to **(860) 678-5227**, or over the phone with a ConnectiCare representative by calling **1-800-224-2273**.

The information is being mailed during the month of September to existing members.

As required by the Centers for Medicare & Medicaid Services (CMS), we must distribute these documents by September 30, 2014 to all of our current membership.

Below are links to the ANOC notices and the EOCs for each plan as well as the Formulary and Provider Directory. Please review these documents and become familiar with the specific changes as this will aid in your discussions with renewing members and prospective clients during the upcoming selling season.
